SECTION 2.0 - RULES AND REGULATIONS, (CONT'D.)**2.5 Deposits**

Applicants or Customers whose financial condition is unknown or unacceptable to Carrier may be required to pay a deposit. If actual usage data is available for the customer at the same or similar premises, the deposit amount shall be calculated using the customer's average bill for the most recent twelve (12) month period. If actual usage data is not available, the deposit amount shall be based on the average bills of similar customers and premises in the system, not to exceed two (2) month's actual or estimated usage. If customer fails to pay for service or equipment, the deposit will be applied to the outstanding balance. If, at any time, Carrier feels that the customer has established satisfactory credit, the Carrier will refund the amount of the deposit. In any event, deposits or remaining balance thereof will be returned upon termination of service.

Interest will accrue on customer deposits held by the company, beginning on the date the deposit is made.

SECTION 2.0 - RULES AND REGULATIONS, (CONT'D.)**2.9 Installation**

Service is installed upon mutual agreement between the Customer and the Company. The service agreement does not alter rates specified in this tariff.

2.10 Payment for Service

The Customer is responsible for payment of all charges for services and equipment furnished to the Customer or to an Authorized User of the Customer by the Company. All charges due by the Customer are payable to the Company or to any agency duly authorized to receive such payments. Terms of payment shall be according to the rules and regulations of the agency and subject to the rules of regulatory agencies, such as the Kentucky Public Service Commission.

The Company's billing invoices will be considered correct and binding upon the Customer if no notice is received from the Customer within thirty (30) days of the date of the invoice. (Billing inquiries may be made in writing, in person, or via telephone.) Adjustments to Customer's bills shall be made to the extent circumstances exist which reasonably indicate that such changes are appropriate. Upon receipt of a billing inquiry, charges involved in the disputed element(s) of the invoice will be temporarily suspended pending resolution of the dispute. The Customer, however, remains responsible for the timely payment of the non-disputed elements of the invoice. If a Customer is not satisfied with the Company's response to an inquiry or request for credit, he or she may appeal to the Kentucky Public Service Commission for final resolution.

2.14 Refusal or Discontinuance by Company

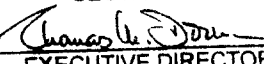

The Company may refuse or discontinue service under the following conditions provided that, unless otherwise stated, the Customer shall be given proper notification in accordance with 807 KAR 5:006 Section 14 to comply with any rule or remedy any deficiency:

- 2.14.1** For non-compliance with or violation of any State, municipal, or Federal law, ordinance or regulation pertaining to telephone service.
- 2.14.2** For use of telephone service for any other property or purpose than that described in the application.
- 2.14.3** For neglect or refusal to provide reasonable access to the Company or its agents for the purpose of inspection and maintenance of equipment owned by the Company or its agents.
- 2.14.4** For noncompliance with or violation of Commission regulation or the Company's rules and regulations on file with the Commission, provided ten days written notice is given before termination.
- 2.14.5** For nonpayment of bills, including bills for any of the Company's other communication services, provided that suspension or termination of service shall not be made without five days' written notice to the Customer.
- 2.14.6** Without notice in the event of Customer or Authorized User use of equipment in such a manner as to adversely affect the Company's equipment or service to others. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.

SECTION 2.0 - RULES AND REGULATIONS, (CONT'D.)**2.15 Inspection, Testing, and Adjustment**

Upon reasonable notice, the facilities provided by the Company shall be made available to the Company for tests and adjustments as may be deemed necessary by the Company for maintenance. No interruption allowance will be granted for the time during which such tests and adjustments are made.

2.16 Tests, Pilots, Promotional Campaigns and Contests

The Company may conduct special tests or pilot programs and promotions at its discretion to demonstrate the ease of use, quality of service and to promote the sale of its services. The Company may also waive a portion or all processing fees or installation fees for winners of contests and other occasional promotional events sponsored or endorsed by the Company. From time to time, the Company may waive all processing fees for a Customer. The Company will notify the Commission regarding specific promotions and contests.

2.17 Interruption of Service

Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the Customer, or to the failure of channels, equipment or communications Systems provided by the Customer, are subject to the general liability provisions set forth in Section 2.4 herein. It shall be the obligation of the Customer to notify Company immediately of any interruption in service for which a credit allowance is desired by Customer. Before giving such notice, Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by Customer and connected to Company's terminal. Interruptions caused by Customer provided or Company-provided automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via local exchange company access.

The Customer is responsible for any and all costs incurred in the collection of monies due the Carrier including legal and accounting expenses. Customer is also responsible for recovery costs of Carrier provided equipment and any expenses required for repair or replacement of damaged equipment.

2.19 Returned Check Charges

A fee of \$20.00, or five percent of the amount of the check, which ever is greater, may be charged for each check returned for insufficient funds.

2.20 Service Implementation

Absent a promotional offering, service implementation or installation charges will apply to new service orders or to orders to change existing service for the services listed in Section 3.

2.21 Reconnection Charge

A reconnection fee may be charged when service is re-established for customers who have been disconnected for non-payment, and is payable at the time that the restoration of suspended service and facilities is arranged.

2.22 Operator Service Rules

The Company will enforce the operator service rules specified by the Commission and by the FCC.

2.23 Access to Carrier of Choice

End users of the Company's local service shall have the right to select the interexchange telecommunications service provider (IC) of their choice. The IC should request confirmations/verifications of choice from its customers no later than the date of submission of its first bill to the customer. The Company should maintain signed letters of agency or confirmations of choice on file for use in dispute resolution.

SECTION 2.0 - RULES AND REGULATIONS, (CONT'D.)

2.24 Directory Listings

- 2.24.1** The Company does not publish a directory of subscriber listings. The Company, however, does arrange for the Customer's main billing number to be placed in the directory or directories of the dominant local exchange carrier.
- 2.24.2** The rates and regulations specified herein for directory listings apply only to the alphabetical section of the directory. Listings are intended solely for the purpose of identifying subscriber's telephone number and as an aid to the use of telephone service.
- 2.25.3** The listings of subscribers, either without charge or at the rate specified within this tariff for other listings are arranged alphabetically and are not intended for special prominence of arrangement. In accepting listings as requested by subscribers or prospective subscribers, the Company will not be a party to controversies between subscribers as result of the publication of such listings in the directories.
- 2.24.4** Listings must conform to the Company's specifications with respect to the directories. The Company reserves the right to reject listings when in, its sole judgment, such listings would violate the integrity of company records and the directories, confuse individuals using the directory, or when the customer cannot provide satisfactory evidence that he is authorized to do business as requested.
- 2.24.5** The Company reserves the right to limit the length of any listing to one line in the directory by use of abbreviations when, in its sole judgment, the clearness of the listing and the identification of the subscriber is not impaired.
- 2.24.6** Generally, the listed address is the location of the subscriber's place of business or residence.
- 2.24.7** Liability of the Company due to directory errors and omissions is as specified in Section 2 of this tariff.
- 2.24.8** Generally, a business listing consists of a name or dual name, a designation descriptive of the subscriber's business if not self-explanatory, the address, and the business telephone number. The main listing is ordinarily the name of the individual, firm or corporation which contracts for the service or the name under which a business is regularly conducted.

2.26 Universal Emergency Telephone Number Service (911, E911)

- 2.26.1** This tariff does not provide for the inspection or constant monitoring of facilities to discover errors, defects, or malfunctions in the service, nor does the Company undertake such responsibility.
- 2.26.2** 911 information consisting of the names, addresses and telephone numbers of all telephone customers is confidential. The Company will release such information via the Data Management System only after a 911 call has been received, on a call by call basis, only for the purpose of responding to an emergency call in progress.
- 2.26.3** The 911 calling party, by dialing 911, waives the privacy afforded by non-listed and nonpublished service to the extent that the telephone number, name, and address associated with the originating station location are furnished to the Public Safety Answering Point.
- 2.26.4** After the establishment of service, it is the Public Safety Agency's responsibility to continue to verify the accuracy of and to advise the Company of any changes as they occur in street names, establishment of new streets, changes in address numbers used on existing streets, closing and abandonment of streets, changes in police, fire, ambulance or other appropriate agencies' jurisdiction over any address, annexations and other changes in municipal and county boundaries, incorporation of new cities or any other similar matter that may affect the routing of 911 calls to the proper Public Safety Answering Point.

SECTION 3.0 - DESCRIPTION OF SERVICE, (CONT'D.)

3.4 Business Services

The Company's Business Services are offered for local calling using the facilities of the Company's authorized underlying Local Exchange Carrier(s). The Company's Business Services are offered primarily to the following:

- (A) Offices, stores, factories, mines and all other places of a strictly business nature;
- (B) Offices of hotels, boarding houses, apartment houses, colleges, quarters occupied by clubs and fraternal societies, public, private or parochial schools, hospitals, nursing homes, libraries, churches, and other institutions; and
- (C) Services terminating solely on the secretarial facilities of a telephone answering bureau.

3.4.1 Business Exchange Line Service

Business Exchange Line Service provides a facility from a Customer's location to the Company's Central Office and gives the Customer the ability to complete local and long distance calls. This service provides Customer with unlimited local calling, including rotary/hunting service, at a flat monthly rate. Special rates are offered to customers who purchase this service in conjunction with the Company's Business long distance products. Options available with Business Exchange Line Service include Call Waiting, Call Forwarding, Three-way Calling and Speed Dialing, as well as Class Features. Installation charges apply.

3.4.2 Private Branch Exchange (PBX) Service

The Company's PBX Service uses PBX Trunks to connect a customer PBX system or other similar equipment to the Central Office. Standard configurations include Local CO Trunks, Direct Inward Dialing (DID), Direct Outward Dialing (DOD) and Combination Trunks. This service provides Customers with unlimited local calling, rotary/hunting service and Carrier Access. The Company treats these trunks similar to individual exchange lines and supports multi-line hunting over a group of trunks. Service is billed based on monthly usage, together with monthly recurring charges. Special rates are offered to customers who purchase this service in conjunction with the Company's long distance products. Installation charges also apply.

SECTION 3.0 - DESCRIPTION OF SERVICE, (CONT'D.)**3.4 Business Services, (Cont'd.)****3.4.3 Optional Business Features****(A) Direct Inward Dial (DID) Service**

DID Service is an optional feature which can be purchased in conjunction with Company-provided PBX Trunks. DID service transmits the dialed digits for all incoming calls allowing the Customer's PBX to route incoming calls directly to individual stations corresponding to each individual DID number. Charges for DID capability and DID number blocks apply in addition to charges specified for PBX Trunks. One additive charge applies for each DID-equipped PBX Trunk or channel. Customer is required to purchase at least one DID number block for each DID equipped trunk or trunk group, or DID-equipped channel or group. The Company reserves the right to limit the amount of DID numbers constituting a block of telephone numbers in a group. Blocks of number groups will be determined at the sole discretion of the Company's resources. In addition, the Company reserves the right to review vacant DID stations or stations not in use to determine efficient telephone number utilization. Should the Company determine, based on its own discretion, that there is inefficient number utilization, the Company may reassign the DID numbers.

The Customer has no property rights to the telephone number or any other call number destination associated with DID service furnished by the Company, and no right to the continuance of service through any particular end office. The Company reserves the right to change such numbers, or the end office designation associated with such numbers, or both, assigned to the Customer, whenever the company deems it necessary to do so in the conduct of its business.

3.5 Directory Listings

For each Customer of Exchange Access Service(s), the Company shall arrange for the listing of the Customer's main billing telephone number in the directory(ies) published by the dominant Local Exchange Carrier in the area at no additional charge. At a Customer's option, the Company will arrange for additional listings at an additional charge.

3.6 Operator-Assisted Services

Operator-assisted services are provided to Business and Residential Customers on a presubscribed basis. Services are also provided to Customers and Users of exchange access lines which are presubscribed to the Company's interexchange outbound calling services. Various billing arrangements are available with operator-assisted service including Calling Card, Commercial Credit Card, Collect, Person-to- Person and Third Party. Monthly and/or usage-sensitive charges apply as stated in Section 4, as well as per call operator charges.

(A) Operator Dialed Surcharge

This surcharge applies to Operator Station and Person-to-Person rated calls when the Customer has the capability of dialing all the digits necessary to complete a call, but elects to dial only the appropriate operator code and requests the operator to dial the called station. The surcharge does not apply to:

1. Calls where a Customer cannot otherwise dial the call due to defective equipment or trouble on the network; and
2. Calls in which a Company operator places a call for a calling party who is identified as being handicapped and unable to dial the call because of his/her handicap.

The Operator Dialed Surcharge applies in addition to any other applicable operator charges.

(B) Busy Line Verify and Line Interrupt Service

Upon request of a calling party, the Company will verify a busy condition on a called line. The operator will determine whether the line is clear or in use and report its status to the calling party. The operator will interrupt the call on the called line only if the calling party indicates an emergency and requests interruption.

A charge will apply when:

1. The operator verifies that the line is busy with a call in progress;
2. The operator verifies that the line is unavailable for incoming calls; or
3. The operator verifies that the called number is busy with a call in progress and the customer requests interruption. The operator will then interrupt the call, advising the called party of the name of the calling party. One charge will apply for both verification and interruption.

No charge will apply when:

1. The calling party advises that the call is to or from an official public emergency agency; or
2. Under conditions other than the three stated above. Busy Verification and Interrupt service is furnished where and to the extent that facilities permit. The Customer shall indemnify and hold the Company harmless against all claims that may arise from either party to the interrupted call or any person.

SECTION 4.0 – RATES FOR RESOLD SERVICES, (CONT'D.)

4.3 Rates for Company Employees

Active employees of this Company will be furnished local access lines and features at a discount of 16.79% off monthly recurring charges for residential service listed in this tariff. Service will be furnished only at one location and only when the telephone is located in the employees residence. Such employee's service will not be furnished at locations where the station is not restricted to the use of the employee and members of his immediate family or other employees of the Company residing in the same household. Employees who receive this discount will not be eligible for other residential telephone discounts or promotions offered by the Company. Voice mail and inside wiring maintenance plans are not eligible for the discount.

Employees who separate from the company and are entitled to a severance or retirement package may have service continued at the employee rate for a specified length of time as part of the separations package.

4.4 Employee Facility-Based DSL and Voice Package Service

Active employees who have completed 90 days of employment with the Company are eligible for SDSL service which includes basic voice service at the employee-discount price indicated below:

Zone	Monthly Recurring Charge	Installation Charge
1 and 2	\$33.00	\$142.00

If an employee cancels the order during the ILEC cancellation period, a \$100 order cancellation charge will apply. If the employee cancels the order after the ILEC cancellation period, a \$199 order cancellation charge will be assessed. If the employee is terminated (voluntarily or involuntarily), NTC will bill the employee the per line rate for voice service currently in effect in this tariff and the rate for unbundled DSL service in the company's current price list.

Employees must also choose the Company's telephone's long distance service at currently tariffed prices to be eligible for the discounted voice and DSL package. Features, including voice mail, are not eligible for a discount.

SECTION 7.0 – FACILITIES-BASED SERVICES AND RATES, (CONT'D.)

7.2 Facilities-Based Bundle Package 1 – DSL¹

Limitations: Customer must select the Company's Long Distance and Local Service in order to receive full benefit from the bundled pricing plan. Upon customer request, the bundle may be provided without the DSL and/or the long distance service, however, the bundle price will remain the same.

Customer must sign a term agreement

Limit of one bundle allowed per customer location

Charges Waived: Discounted installation charges depending on the term selected.²

Equipment (CPE) rental/purchase charges.³

(D)
(D)

¹ DSL service is subject to certain technical factors which may limit the availability of the promotional offer. These factors may include distance considerations based on the customer's location in relation to the central office, loop qualification tests and other conditions. At the Company's sole discretion, IDSL or ADSL service may be substituted. In those cases, synchronous speeds are not guaranteed. One and two line bundles are available only to existing bundles customers at their current location and require a new 12 month term agreement. Line reduction charges apply as set forth in Section 7.2 following.

(T)
|
|
(T)

² In the case of installation procedures that exceed regular/standard services, the customer will be charged a pre-agreed hourly rate. Extraneous installation charges may include, but are not limited to, inside wiring, LAN and WAS configurations, etc. Charges for speed changes made during the duration of the contract will be billed at a \$100.00 non-recurring charge per change. Line connection charges for new lines (lines not currently installed) will apply at the business rates listed in Section 4 of this tariff.

³ All equipment provided by the Company under this arrangement shall remain the sole property of the Company according to the terms listed in the term agreement. Should the Customer or the Company terminate service for any reason prior to the expiration of the term agreement, the Customer shall return equipment to the Company in no more than 10 days.

SECTION 8.0 - SPECIAL SERVICE ARRANGEMENTS, (CONT'D.)**8.2 Contract Assumptions**

A customer with an existing service agreement or contract with an ILEC must sign a contract assumptions agreement in order to receive service from the Company. The contract assumption agreement provides that the customer is responsible for all charges and liabilities assumed by the Company according to the terms of the customer's prior service agreement with another provider. The text of the agreement is as follows:

If the end user ("Customer") located (Service Location, including City, State, Zip Code) has previously entered into any service agreements, specifically including but not limited to any contract service arrangement, special assembly contract, variable term payment plan, or similar contractual arrangement for the provision of services ("Service Agreement"), with any third party service provider, including but not limited to BellSouth Telecommunications, Inc. or similar third party service provider ("Third Party Service Provider"), which Service Agreement must be assumed or guaranteed in whole or in part by the Company, then in any such event, the following special provisions shall apply;

All terms and conditions of such Service Agreement with said Third Party Service Provider are hereby incorporated by reference as fully and with the same effect as if the Company was substituted for the Third Party Service Provider;

Customer shall indemnify and hold the Company harmless from and against any and all charges, penalties, expenses, costs, obligations, termination charges, user charges, attorney's fees, or other liabilities suffered or incurred by the Company directly or indirectly related to or arising out of said Service Agreement or the Company's assumption or guarantee of same; and

Customer acknowledges that he shall be liable to the Company in the event of any termination of any service prior to the expiration of the service period covered by the Service Agreement, and transfer of any service to any new location, any disconnection of any service as a result of the customer's request for a change, substitution, or configuration, any suspension of service, any cancellation of service after ordering service but prior to establishment of said service, any cancellation of service after ordering service but prior to establishment of said service, or any transfer by customer of said services to any other Third Party Service Provider.
